

BUREAU  
VERITAS

Bureau Veritas Certification

## Certificate

according to the  
**Renewable Energy Directive (RED II)**

(Directive (EU) 2018/2001 on the promotion of the use of energy  
from renewable sources (recast))

**Certificate Number: EU-ISCC-Cert-PL214-50302859**

**Bureau Veritas Polska Sp. z o.o.**  
**ul. Migdałowa 4, 02-796 Warszawa, Polska**

certifies that

**AGROINVEST S.A.**  
**Achladi Fthiotis 0, 35300 Achladi, Greece**

complies with the requirements of the certification system  
**ISCC EU**  
**(International Sustainability and Carbon Certification)**  
and the requirements of the RED II.

**This certificate is valid from 23.05.2025 to 22.05.2026.**

The site of the system user is certified as:

Oil mill  
Refinery

Warszawa, 23.05.2025

Place and date of issue

  
**Bureau Veritas Polska Sp. z o.o.**  
02-796 Warszawa, ul. Migdałowa 4  
NIP: 521-32-23-301

Stamp, Signature of issuing party

## Annex to the certificate:

### Sustainable materials handled by the certified site

(This annex is applicable for all scopes except Trader, Trader with storage, Warehouse, Logistic centre, MTBE and ETBE plant)

This annex is only valid in connection with the certificate:

**EU-ISCC-Cert-PL214-50302859 issued on 23.05.2025**

|                       | 3: NUTS2 value or "NUTS2-equivalent" value. A "NUTS2-equivalent" value is a GHG value for cultivation in a "NUTS2-equivalent" region of a country outside the European Union (values are implemented by the European Commission). Option 3 is only applicable for the level of cultivation, i.e. for first gathering points, farms/plantations, central offices (group of farms or independent smallholders) |                         |                   |                          |                                             |                       |
| 2)                    | Yes: The raw material meets the definition of waste or (processing) residue according to the RED II                                                                                                                                                                                                                                                                                                          |                         |                   |                          |                                             |                       |
|                       | No: The raw material complies with the relevant sustainability criteria according to Art. 29 (2)-(7) RED II                                                                                                                                                                                                                                                                                                  |                         |                   |                          |                                             |                       |
| 3)                    | Farm Sustainability Assessment (FSA) was developed by the Sustainable Agriculture Initiative (SAI)                                                                                                                                                                                                                                                                                                           |                         |                   |                          |                                             |                       |
|                       | SAI Gold Compliance: ISCC Compliant material can be claimed as "SAI FSA 3.0 Gold Level Equivalence"                                                                                                                                                                                                                                                                                                          |                         |                   |                          |                                             |                       |
